

QUESTIONS TO THINK THIS WEEK,

1. How does Jesus treat Philip, a pragmatic disciple like many of us?
2. Why is it important to understand that Jesus' disciples were called by an extraordinary Master? How would that understanding be pivotal for them later on?
3. How does this understanding apply to our salvation and daily lives?
4. What impresses you the most about Jesus' treatment of Philip?
5. Don't we walk by faith and not by sight? (See 2 Corinthians 5:7.) How does this relate to "Come and see"?
